It is the policy of Cumberland Memorial Hospital to make available the hospital's charge information in compliance with the Affordable Care Act (ACA), Section 2718(e) of the Public Service Act.

Purpose: The policy is to create transparency for patients and to comply with ACA.

Procedure: Availability of Standard Charges

A: The hospital will make available its standard charges.

1. The public may view hospital charges via a link on the Hospital website ([www.cumberlandhealthcare.com](http://www.cumberlandhealthcare.com)) to the Wisconsin PricePoint website at [www.wipricepoint.org](http://www.wipricepoint.org).
2. Patient may contact the Patient Financial Services Department at (715)822-7080 for additional information and inquiries regarding charge information.

B. Any charge information that is provided will generally be gross charges (prior to any applicable insurance being applied) for the services without complications.

C. The information provided will not be, and is not intended to be, a quote or guarantee of what the charges will be for a specific patient's care, and it may not include the cost of professional services (for example radiologist). The Hospital's website and responses to any inquiries will include the disclaimer/limitation.
