

Current Exclusions to Pfizer® COVID-19 Vaccination:

1. You have received another vaccine within the last 14 days (2 weeks).
2. You have received medications or convalescent plasma to treat COVID-19 in the last 90 days.
3. You are under 16 years of age.
4. You are currently COVID positive and under quarantine.
5. You are currently under isolation because of an exposure to COVID.
6. You have had a serious (life-threatening) reaction to a prior dose of vaccine OR any ingredient in the vaccine.

When to call back for a Pfizer® COVID-19 Vaccination based on the exclusions:

1. Call back more than 14 days (2 weeks) after the other vaccine was received.
2. Call back more than 90 days after receiving a COVID-19 treatment (i.e. antivirals, convalescent plasma, or COVID antibody therapy)
3. Call back after turning 16 years of age, AND/OR follow our website for future updates to the age recommendations for the vaccine.
4. Call back after you are released from quarantine by public health **OR** another healthcare provider **AND** your symptoms are improved.
5. Call back after you are released from quarantine by public health **OR** another healthcare provider.
6. Discuss with your primary care physician.
