

11.4.2020 Help stop the spread of Covid-19. We are urging the public to discontinue large gatherings, practice social distancing, wear masks, and wash your hands. Please quarantine if you have or were exposed to Covid-19. Please do your part, Wisconsin, we are all in this together!

With Barron County Covid-19 numbers at an all-time high, we need everyone to step up. Wisconsin, we can't do this without you.

11.3.2020 Due to the increase in the state and local region of positive Covid-19 cases Cumberland Healthcare will be suspending visitation to all areas of the facility. The increased traffic into the facility places our patients and staff at risk. We are evaluating a safe way to resume visitation in the future. We thank you for your understanding and help to keep everyone as safe as we can.

11.1.2020 Your health is important to us. Virtual visits are an option at Cumberland Healthcare. Our expert staff will help you set up for your virtual visit. If this works better for you, ask for a “virtual visit” by calling 715-822-7500 when you make your appointment. Your health is important to us. Please do not put off coming to the doctor.
