

If you do not have an account, contact Cumberland Healthcare (715-822-7500) to request an enrollment email.

If you already have an account, proceed to the next step. You will need your username and password.

In your App Store, type in Meditech MHealth, it looks like this:

Download and open the app, click Cumberland Healthcare.

If you are unable to login, click the forgot username or forgot password options.
