

Environmental Services

***Housekeeper, Full-time Mainly PMs**

Cumberland Healthcare is currently searching for a housekeeper to join our Environmental Services Team. The position is primarily working the PM shift starting at 2:00pm. Our housekeepers work 9-hour shifts, 4 days/week. This does include a weekend rotation (maximum 1 in 4). Weekend/holiday shifts are day shifts starting at 6:00am.

Our ideal candidate would have the following qualifications: Excellent attention to detail and cleaning skills, a positive attitude, friendly, team player, and able to work independently. Housekeeping experience is helpful but not required.
